How to Play Word Search

Every word on the list is hidden in the letter grid. Find it, then circle it and tick its box.

In this pack, words run only left to right or top to bottom. Nothing is hidden backward or on a diagonal.

Spaces are left out of the grid. For example, PLACE CARD is hidden as PLACECARD. Each listed word appears exactly once.

Print at 100 percent, or Actual size, so the letters stay large. Do not choose Fit to page. Solutions are at the back.
